

Hot Hot Summer Day

The Sugarhill Gang

Get off it's summer
Get off it's summer
Summertime is here
Get off it's summer
Get off it's summer
Summertime is here

I hear ya, so have no fear
Summertime's the best time of the year
You fine young ladies come ring my bell
'Cause I am the man with the clientele
Tipping, sipping the finest wine
All because it's summertime
Well I sit back, and I'm in your dreams
Rockin' the house with the gangster lean
Rockin' in the pool just havin' fun
Chillin' out in the summer sun
Neon lights, summer nights
Big Bank, baby doll, is gonna rock tonight
So pull out your beach balls, umbrellas and hats
To all the fly girls, take a shot at that
To the tick tock, but it's too hot
And it's summertime
And it's for sure hot!

Hot, hot summer day
Hot, hot summer day
Hot, hot summer day
Sunshine on your mind

Summertime is back again
And all I want to do is party with all my friends
Now the voice you hear, is of the Master Gee
I'm gonna show you how much fun the summertime can be
Smell the air it's sweet, skates are on your feet
And everybody's jammin' to a brand new beat
There's a cold out feeling all over the nation
Seniors everywhere, havin' graduation
You feel it in your system, and your system won't stop
It's 'cause you're rockin' to the rhythm of the rhythm of the rock
It's alright, it's okay
'Cause these things happen on a hot summer day
Young ladies in the stores, everywhere
Tryin' to purchase their seasonal wares
Bikini short-shorts and beaded hair
Seem to be the style for this time of year

Hot, hot summer day
Hot, hot summer day
Hot, hot summer day
Sunshine on your mind
People dancin' and romancin'

Boogidy woogidy, bee bop, da bippity bop
Here's the way to keep cool, baby if you're hot
Rappin' in the summer, sweet and summer groove
And your fingers start poppin' and you dance real smooth

And you ask me, "Hey what can I do in the middle of the summertime?"
You can turn me on your stereo and listen to my boogie wonder rhyme
And if that don't work, whoever heard of that? Well take a little time to hear me say
In the foogie moogie voice and the rhythm rock how the summer can be sugar day
I like goin' to the beach that has no sand
I like puttin' on a swimmin' suit and swimmin' on land
Like cookin' out without the grill
Like tryin' to catch a tan and then you catch a chill

Hot, hot summer day
Hot, hot summer day
Hot, hot summer day
Sunshine on your mind
Hot, hot summer day
Hot, hot summer day
Hot, hot summer day
Sunshine on your mind

Summertime is groovin'
Just cruisin' to the rhythm of the beat the beat,
To the big beat all night long, come on!
Keep my body movin'
It goes summertime crew what you want to do?
Chill, chill, chill, chill!
Everybody's dancin'
To the boogie to the boogidy, up jump the boogie,
Bang, bang, baby to the boogie beep beep
And romancin'
Wintertime is gone and dead, summertime is full freakin' ahead

Hey Hank
Hit me
Can you?
Maybe?
Can you rock it to the rhythm of the beat, beat beat?
Hey Gee?
Hit me

When I open my eyes, they're everywhere
