

Rapper's Reprise (Jam, Jam)

The Sugarhill Gang

Jam, jam, a-jibbit, a jam
Jibbit jibbit jam-jam, jam on
Jam, jam, a-jibbit, a jam
Jibbit jibbit jam-jam, jam on (everybody)
Jam, jam, a-jibbit, a jam
Jibbit jibbit jam-jam, jam on (we gotta)
Jam, jam, a-jibbit, a jam
Jibbit jibbit jam-jam, jam on

Now I'm the man with the golden voice
Better known as the ladies' choice
The things I do you know are the most
It's the party of love, and I am your host
Now ladies come and ladies go
Just to check out my disco show
And check me out is what they do
Singin' to a rhythm that is so brand new
I'm scientific, the kid terrific
The mastermind, the costamistic
I'm the Master Gee with the phenomenon
Rappin' to the rhythm on and on
I'm a devastatin' rapper with a thunder rap
Rappin' to the beat, I like it like that
The rap I have controls your will
Which is typical of Sugarhill
You go...

Jam, jam, a-jibbit, a jam
Jibbit jibbit jam-jam, go on (come on)
Jam, jam, a-jibbit, a jam
Jibbit jibbit jam-jam, jam on (you gotta)
Jam, jam, a-jibbit, a jam
Jibbit jibbit jam-jam, jam on
Jam, jam, a-jibbit, a jam
Jibbit jibbit jam-jam, jam on

Are you ready to party and get on down
And jam with the rappers to the funky sound
Well I heard of this guy they call Master Gee
And I said he's ready to rock with me
Let me tell you something before you get lost
Angie B.'s the one that they call the boss
Hey all of your people this is no disguise
We're ready to rap and socialize
With the capital A-N-G-I-E
But it's really no fun without the capital B
Far as I'm concerned 'bout Master Gee
He's vicious when he's rappin' with me
(We're from the north!) And we're from the south!
And as a combination we can rock the house
We go...

Jam, jam, a-jibbit, a jam
Jibbit jibbit jam-jam, jam on (and then we go)
Jam, jam, a-jibbit, a jam
Jibbit jibbit jam-jam, jam on

We're the best 6 rappers on the microphone
And we're on the stereo in your home
We rock all the places around the world
But you're listening to the voice of Cheryl The Pearl
We're gonna rap to you about the serious gang
With the bow-wow boogie and the big bang-bang
But since Big Hank didn't hear my voice
I guess I have no other choice
I heard he's bad, mean and tough
But I want to hear some of his funky stuff
Jam!
On!

I'm twice as nice
Skatin' on ice
The dedicated king of the disco slide
Yes yes y'all, we don't stop
'Cause I'm on the top, for sure shot
Supersonic group that's gonna rock this block
Keep on, and you get rocked
I got a mansion on the mountain, Rolls in my garage
Hell, my girls got bodyguards
Minks and diamonds, rockin' through heaven
Even on the DC 7-4-7
To all the guys with no respect
Big Bank, I keep 'em on the check

Jam, jam, a-jibbit, a jam
Jibbit jibbit jam-jam, jam on
Jam, jam, a-jibbit, a jam
Jibbit jibbit jam-jam, jam on

Now people out there walkin' 'round today
Please stop to hear what I have to say
Well I'm as quiet as a mouse but I shock the house
Come on, and do it for me Wonder Mike
We can rock, we can roll, we can roll, we can rock
We can rock this mic, until you just don't stop
I said Mike, are you ready?
Are you ready for me to rock to the beat
You see Blondy is what they say
And I rock the mic in a vicious way
I'm a supersonic, I'm a three inch tonic
And I'm on the go
They're three fly guys, and we're three fly girls
We're ready to rap and to rock the world

Jam, jam, a-jibbit, a jam
Jibbit jibbit jam-jam, jam on
Jam, jam, a-jibbit, a jam
Jibbit jibbit jam-jam, jam on

Who, me?
I see
You want me to hip it to the big beat
Is there a party over there? (Yeah)
Is there a party back here? Tell me the truth
Is there a party over there like a savoir-faire
I'm rappin' to the rhythm just everywhere
I don't mean to boast, I don't mean to brag
But you'd thought I'd say toast but you've been had
You never really know what I'll say next
I'll tickle your tummy 'til you'll want to rest

Tickle, I played a nickel
You see a man dance just like Rip Van Winkle
Go jam, jam, a-jibbit, a jam
Jibbit-jibbit, jam-jam, go on
You go jam, jam, green eggs and ham
Hey little boy blue go blow your horn
You go

Jam, jam, a-jibbit, a jam
Jibbit jibbit jam-jam, go on (one time)
Jam, jam, a-jibbit, a jam
Jibbit jibbit jam-jam, jam on

Well once again it's the Master Gee
With a voice that stings like a bumblebee
Like Popeye needs spinach, kids need Tang
I need a little groove from the Sugarhill Gang
So open your ears, liberate your feet
We're gonna hit you with a little soulful treat
Like pecan pie without the crust
Like makin' love without the trust
Like watchin' TV without the screen
Like strawberry shortcake without the cream
Like April showers without the rain
Like hearing my voice and not knowin' my name
It's the Master Gee, the rappin' man
But the thing I like best is a ladies' hands
So fine and mine, I can't believe
Oh but day's touches will soon be leed
You're vicious, nutritious
Like a slice of pie you're so delicious
You're fine, so divine
I'd like to manipulate your mind
You're vicious, nutritious
Like a slice of pie you're so delicious
You're fine, so divine
I'd like to manipulate your mind

Jam, jam, a-jibbit, a jam
Jibbit jibbit jam-jam, jam on
Jam, jam, a-jibbit, a jam
Jibbit jibbit jam-jam, jam on (everybody goes)
Jam, jam, a-jibbit, a jam
Jibbit jibbit jam-jam, jam on (you gotta)
Jam, jam, a-jibbit, a jam
Jibbit jibbit jam-jam, jam on

Go one, two, three, four, five
We're the raddest 6 rappers that rap reprise
And it's on and on, and on, on and on
Like melted butter on Filet Mignon
It's up and down, well it's all around
It's the jammin' to the jip, jip-jam sound
Well it's Cheryl The Pearl, and the Master Gee
Big Bank, and Blondy
It's Angie B., and the Wonder Mike
Come on everybody, do what you like
I said peter piper picked a pickled pepper
That peter piper picked
Come on everybody and jam to the beat
Of the supersonic thing
We're the combination with our sensation
We hope that you realize

That we're the best darn rappers in the whole wide world
This is the Rapper's Reprise

Jam, jam, a-jibbit, a jam
Jibbit jibbit jam-jam, jam on
Jam, jam, a-jibbit, a jam
Jibbit jibbit jam-jam, jam on
Jam, jam, a-jibbit, a jam
Jibbit jibbit jam-jam, jam on
Jam, jam, a-jibbit, a jam
Jibbit jibbit jam-jam, jam on
Jam, jam, a-jibbit, a jam
Jibbit jibbit jam-jam, jam on
Jam, jam, a-jibbit, a jam
Jibbit jibbit jam-jam, jam on

Jam, jam, a-jibbit, a jam
Jibbit jibbit jam-jam, jam on (now come on)
Jam, jam, a-jibbit, a jam
Jibbit jibbit jam-jam, jam on (I said what?!)
Jam, jam, a-jibbit, a jam
Jibbit jibbit jam-jam, jam on (I said what?!)
Jam, jam, a-jibbit, a jam
Jibbit jibbit jam-jam, jam on
