

The Lover In You

The Sugarhill Gang

I am the king of the rappin thing
But love, is really my game
And when it comes, to gettin the finest chicks
I put all the other rappers to shame
The ladies scream when I'm on the scene
They love my 280-Z
And when the party's over they stand in line
to go home with the Master G, ha ha hahhh

This is for the lover in you
The lover in you, I know she's in there somewhere
This is for the lover in you
Ah for the lover in you...
Whoaaaaah honey, can't you see, yeah
It's the lover, in me
Who wants to make love...
... to the lover in you
The lover in you
To the lover in you

Don't be misled, by what I said
There's one thing beyond a doubt
Inside every rapper there's a lover
who's tryin, to get out
So let's make a start, unlock your heart
This is, the place to be
And as we're movin, to the music groovin
You'll bring out, the lover in me... sing it gang

This is for the lover in you, the lover in you
I know she's in there somewhere
This is for the lover in you
Ah for the lover in you...
Whoaaaaah honey, can't you see, yeahh
It's the lover, in me
Who wants to make love...
... to the lover in you
The lover in you
To the lover in you...
Won't you give her a shout
Tell her to come on out
Got a job, for her to do
You know I'm talkin about...
... the lover in you
The lover in you, the lover in you...
The lover in you, the lover in you

[Wonder Mike] If there's a party in any town
You know the Sugarhill Gang, will throwdown
[Master G] With yours truly, the Master G
[all three] And the brothers who rap so sensuously
[Master G] It's got to be mellow
[Wonder Mike] Got ta be right
[both] We are the original Rapper's Delight
[Wonder Mike] And love, is what we're talkin about
[Big Bank Hank] So c'mon gang, ah let's take it on out
Everybody now

This is for the lover in you (well), the lover in you (mmm)
I know she's in there somewhere
This is for the lover in you (well)
For the lover in you...
This is for the lover in you, the lover in you
I know she's in there somewhere
This is for the lover in you
For the lover in you...

[Master G] I wanna be your L, O, V-E-R
[Wonder Mike] Ah let me be your L, O, V-E-R
[Big Bank Hank] Gotta be your L, O, V-E-R...

So this is for the lover in you, the lover in you
I know she's in there somewhere
This is for the lover in you
For the lover in you...
Won't you give her a shout
Tell her to come on out
Got a job, for her, to do
You know I'm talkin about, the lover in you
This is for the lover in you, for the lover in you
I know she's in there somewhere
This is for the lover in you
Ah for the lover in you...
This is for the lover in you, for the lover in you
I know she's in there somewhere
This is for the lover in you (nnnh)
For the lover in you... whoaaahhh, yeah
