

# Love To You

## The Summer Set

You were made for me  
I was made for you  
Just one touch, we stuck like glue.  
Doo doo doo  
Doo doo doo la love.

You were there for me  
I was there for you  
Got stuck in a hole and we dug ourselves through  
We always do  
We always do, no, no.

Our kind of love don't break or bend  
I'll hold till the whole world ends  
Holding hands.

You and I could be the best of friends  
You and I could be the best of friends  
Cause no matter what I do  
My heart beats for two  
Always give my  
L-o-v-e-t-o-y-o-u

Our hearts drum like pots and pans  
I'm a conductor  
you're the marching band  
When you hold my hand, you hold my hand la love  
We stick together like cellophane  
Give me a straight jacket, I love you insane

Oh I will, you know I will

You and me could be the best of friends  
You and me could be the best of friends  
Cause no matter what I do  
My heart beats for two  
Always give my  
L-o-v-e-t-o-y-o-u  
My l-o-v-e-t-o-y-o-u

And when the world comes crashing down  
We'll dance at the speed of sound  
Oh girl there ain't nothing I won't do for you.  
Ohhh I hope you know,

That you and I could be the best of friends  
Yeah you and I could be the best of friends  
No matter what I do  
My heart beats for two  
Always give my l-o-v-e-t-o-y-o-u  
My l-o-v-e-t-o-y-o-u  
My l-o-v-e-t-o-y-o-u
