Dancing Queen

The Sunday Drivers

You can dance, you can jive, having the time of your life See that girl, watch that scene, dig in the dancing queen

Friday night and the lights are low Looking out for the place to go Where they play the right music, getting in the swing You come in to look for a king Anybody could be that guy Night is young and the music's high With a bit of rock music, everything is fine You're in the mood for a dance And when you get the chance...

You are the dancing queen, young and sweet, only seventeen Dancing queen, feel the beat from the tambourine You can dance, you can jive, having the time of your life See that girl, watch that scene, dig in the dancing queen

You're a teaser, you turn 'em on Leave them burning and then you're gone Looking out for another, anyone will do You're in the mood for a dance And when you get the chance...

You are the dancing queen, young and sweet, only seventeen Dancing queen, feel the beat from the tambourine You can dance, you can jive, having the time of your life See that girl, watch that scene, dig in the dancing queen
