

# Time Time Time

The Sunday Drivers

We don't know where we're going  
We just know where we don't want to go  
My life was easy going  
Now it seems I have to hold the globe

Today is the day  
I've got something in my mind to say  
Tonight is maybe the night  
But I need time, time, time

Another point of view  
I don't feel like, I don't want, just no  
Just no! Don't bend your head  
You're strong enough to hold the globe

Today is the day  
I've got something in my heart to say  
Tonight is maybe the night  
But I need time, time, time
