

Put You In Your Place

The Sunshine Underground

I'm on top are you trying to stop me now
I'm on top are you trying to stop me now
I'm on top are you trying to stop me now
I'm on top are you trying to stop me now
I'm on top are you trying to stop me now
I'm on top are you trying to stop me now
I'm on top are you trying to stop me now
I'm on top are you trying to stop me now
I'm on top are you trying to stop me now
I'm on top are you trying to stop me now
I just dont think im coming down
And whats the reasons why you proud
I cant stand to see that side of my face
I need to put you in your place

I'm on top are you trying to stop me now
I'm on top are you trying to stop me now
I'm on top are you trying to stop me now
And i bet you wish i'd disappear

Let you listen to me here
And can't stop to be move out
Well i just down think im coming down
I cant stand to see that side of my face
I need to put you in your place

I'm on top are you trying to stop me now
I'm on top are you trying to stop me now
I'm on top are you trying to stop me now
I'm on top are you trying to stop me now
I'm on top are you trying to stop me now
I'm on top are you trying to stop me now

I just dont think im coming down
And whats the reasons why you proud
I cant stand to see that side of my face
I need to put you in your place

I just dont think im coming down
And whats the reasons why you proud
I cant stand to see that side of my face
I need to put you in your place
