

Don't Wake Up The Swan

The Swan Bride

she moves the way you'd like to move
she does the things you'd like to do
she lives the life you'd like to live
she dreams a dream you'd like to dream

a sleeping princess in your heart
don't wake her up, don't wake her up
a sleeping princess in your heart
she's all you've got...

I've tried to wake her up one day
she looked at me and flew away
do you have dreams ? because I don't
to have them back is all I want

please don't wake up the swan

she thinks the way you'd like to think
she is the one you'd like to be
she says the words you'd like to say
she sleeps inside your heart today

a sleeping princess in your heart
don't wake her up, don't wake her up
a sleeping princess in your heart
she's all you've got...

I've tried to wake her up one day
she looked at me and flew away
do you have dreams ? because I don't
to have them back is all I want

please don't wake up the swan
