## The Teenagers

last week i flew to san diego to see my antie  
on day 1 i met her hot step daughter  
shes a cheerleader, she is a virgin and she is really tan  
as she stepped out of her massive car  
i could only notice she was more than fuckable  
i think she was coming back from the game or something  
cause she was holding those silly pompoms  
on day 2 i fucked her and it was wild  
she is such a slut
