

I Got A Letter From Mary

The Teens

Yesterday morning when the postman came
I was surprised when he called my name - I got a letter
Such a long time I've been waiting for that
Now I held it just right here in my hand - this letter
So I opened it and I began to read
And it started with the words, "in love so deep" - this letter
And I got a funny feeling 'bout the girl next door
Cause she's the only one who never called - she wrote a letter
Sha-nana-naa-nana-nana-na
I got a letter from Mary
Sha-nana-naa-nana-nana-na
I got a letter today
Sha-nana-naa-nana-nana-na
I got a letter from Mary
Sha-nana-naa-nana-nana-na
I got a letter today
She told me that she's all alone at night
And she's dreaming 'bout a boy who'll hold her tight - in this
letter
And she asked me what about next Saturday night
And waits for an answer wrong or right - to this letter
Sha-nana-naa-nana-nana-na
I got a letter from Mary
Sha-nana-naa-nana-nana-na
I got a letter today
Sha-nana-naa-nana-nana-na
I got a letter from Mary
Sha-nana-naa-nana-nana-na
I got a letter today
Sha-nana-naa-nana-nana-na
I got a letter from Mary
Sha-nana-naa-nana-nana-na
I got a letter today
