

# Lullaby Of Love

The Temptations

It's not a symphony  
(Symphony)  
Chilling out a rhapsody  
(Rhapsody)  
It's just a simple melody I wrote for you

Oh hear, my lullaby of love  
(Hear my lullaby of love)  
Love that's crying out to you

I've had a price to pay  
(Price to pay)  
Ever since that awful day  
(Awful day)  
I got up and walked away from you sweetheart

Oh hear, my lullaby of love  
(Hear my lullaby of love)  
Love that's tearing me apart

I can't go on like this  
(On like this)  
After haven't tasted bliss  
(Tasted bliss)  
With every warm and tender kiss you gave to me

Oh hear, my lullaby of love  
Oh love, that haunts my revelry  
Oh hear, my lullaby of love  
Oh love, that needs your symphony
