

Here Lies Mother

The Texas Drag Queen Massacre

Piss off,
Leave me alone,
All you ever do,
Is moan,
We used to argue,
We used to row,
But now you're in the ground.

And here lies mother,
Here lies mother,
Here lies mother,
And its all cause of me.

Get lost,
Go away,
Shut the fuck up,
You've had you say,
I killed momma,
1 2 3,
I killed momma,
Hooray for me.

And here lies mother,
Here lies mother,
Here lies mother,
And its all cause of me.

Whoa!

I don't care,
What you say,
You're the reason,
I am this way,
You run,
You hide,
But I'm in love,
With matricide.

And here lies mother,
Here lies mother,
Here lies mother,
And its all cause of me,
Here lies mother,
And its all cause of me,
Here lies mother,
And its all cause of me!
