

Kill Yourself

The Texas Drag Queen Massacre

I've got no use for you,
I'll beat you black and blue,
Leave you in a heap,
On the bathroom floor,
Acid bath sounds good to me,
Or a noose on a tree,
Stick you in the oven,
A hundred degrees.

I'd take your life but you don't have one,
So watching your suicide would be so fucking fun.

Why don't you kill yourself,
Why don't you kill yourself,
Die, Die suicide's the only thing for you,
Why don't you kill yourself,
Why don't you kill yourself,
Die, Die suicide's the only thing to do.

Put a bullet in your face,
Make the world a better place,
Die and the whole world,
Smiles at you,
Stab a knife in your side,
Gut you alive,
Show your hollow corpse,
To your kids and wife.

I'd take your life but you don't have one,
So watching your suicide would be so fucking fun.

Why don't you kill yourself,
Why don't you kill yourself,
Die, Die suicide's the only thing for you,
Why don't you kill yourself,
Why don't you kill yourself,
Die, Die suicide's the only thing to do.

Well I don't give a fuck,
I'll feed you 'Toilet Duck',
And watch you cough up your insides,
I will laugh at your corpse,
Spit on your grave of course,
I saw it in a movie once.

I'd take your life but you don't have one,
So watching your suicide would be so fucking fun.

Why don't you kill yourself,
Why don't you kill yourself,
Die, Die suicide's the only thing for you,
Why don't you kill yourself,
Why don't you kill yourself,
Die, Die suicide's the only thing to do.
