I Can't Escape From You

The The

I've tried and tried to run and hide To find a life that's new But wherever I go I always know I can't escape from you

A jug of wine to numb my mind But what good does it do? The jug runs dry and still I cry I can't escape from you

These wasted years are souvenirs Of love I thought was true Your memory is chained to me I can't escape from you

There is no end, I can't pretend
That dreams will soon come true
A slave too long to a heart of stone
I can't escape from you
