LoveLoveLoveLoveLove

Me and my friend were walking In the cold light of mourning Tears may blind the eyes But the soul is not deceived In this world even winter Ain't what it seems

Here come the blue skies
Here comes springtime
When the rivers run high
And the tears run dry
When everything that dies
Shall rise

LoveLoveLove is stronger than death LoveLoveLove is stronger than death

In our lives we hunger
For those we cannot touch
All the thoughts unuttered
And all the feelings unexpressed
Play upon our hearts
Like the mist upon our breath

But awoken by grief our spirits speak
"How could you believe
That the life within the seed
That grew arms that reached
And a heart that beat
And lips that smiled
And eyes that cried
Could ever die?"

Here come the blue skies
Here comes springtime
When the rivers run high
And the tears run dry
When everything that dies
Shall rise

LoveLoveLove is stronger than death LoveLoveLove is stronger than death

Shall rise Shall rise Shall rise Shall rise
