

Say It Ain't So

The Thrills

This old world won't take me home
I said sure for the hell she goes
Well I don't know man
Well I don't know man
(I sure know I'm here)
Oh, say it ain't so
Oh, say it ain't so
Because I sure love you so

Memories dig in my heels
I don't care girl
I'll be there girl

So does this mean your truly gone?
Well I don't know man
Well I don't know man
(I sure know I'm here)

Oh, say it ain't so
Oh, say it ain't so
Because I sure love you so

Oh, say it ain't so
Oh, say it ain't so
Because I sure love you so
