

By the Shore

The Tiger Lillies

In tatoo parlours by the shore
they do anchors by the score
neptune and mermaids
and girls from far away
in tatoo parlours by the shore
In massage parlours by the shore
they do sailors by the score
even when business stank
forty they'd wank
in massage parlours by the shore
In funeral parlours by the shore
business is rarely poor
marble slabs sagging with
drownings and stabbings in
funeral parlours by the shore
