

## Captain Bligh

### The Tiger Lillies

The whaler goes on out to sea  
The bell tolls from the belfry  
Captain Blie harpoon in hand  
cat-o-ninetails every man  
Captain Blie meets his end  
Eaten up by revenge  
Eaten up full of hate  
Grisily is his fate  
Moral given never learnt  
If you hate you'll be burnt  
Every man on board is damned  
Each one knows it every hand  
No man here forgets his past  
When Captain Blie is dead at last
