

Depends on Baby

The Tiger Lillies

He depends upon you, baby,
you are the one he loves,
your well-manicured hand
will to him ruin shove.

He depends upon you, baby,
he depends upon you, baby.

He depends upon you, baby,
you are the one he needs,
though you don't give a shit for him,
you'll bring him to his knees.

He depends upon you, baby ...

He depends upon you, baby,
though your motive is greed,
you'll take his last penny,
you'll watch his fortune bleed.

He depends upon you, baby ...

He depends upon you, baby,
your pimp'll slit his throat,
and leave him in the gutter,
his last moments to grope.

He depends upon you, baby ...

He depends upon you, baby,
though you're his heart's desire,
he'd rather you abuse him
than let his love expire.

He depends upon you, baby ...

Though in many ways a man
to goodness does aspire,
that all comes to nothing
when his passion catches fire.

He depends upon you, baby,
he depends upon you, baby.
He depends upon you, baby,
he depends upon you, baby.
He depends upon you, baby,
he depends upon you, baby.
