

Devil

The Tiger Lillies

The devil's bought your body
The devil's bought your soul
So now to do his evil
Is your only goal

Serve each of his evil deeds
'Cause suffering and pain
You'll steal for him you'll rob for him
Kick em till they're lame

The devils bought your body...

Your body and your soul
Serve evil the divine
You'll flail the skin from sinners backs
Drink blood as holy wine

The devils bought your body...

You'll bow down to Satan
Satan is your king
And when he rapes your daughters
they'll wear his ring
