

Fame

The Tiger Lillies

A broken backed beggar
You beg in the street
And all of your money
Small change at your feet
Small change at your feet
Small change at your feet

And now on a marble
Slab you do lie
Users abusers
Crocodile tears cry
Crocodile tears cry
Crocodile tears cry

This life that you lived
Was a stupid game
Of money power
Greed and fame
Greed and fame
Greed and fame

So now on a marble
Slab you do lie
The music you've left
No money could buy
No money could buy
No money could buy

The music you left
No money could buy
