

## The news

The Tiger Lillies

Have you heard the news  
going round the town  
the freakshow's shutting down  
All of you freaks put on the shelves  
in despair and anguish you will delve  
Have you heard the news  
the selfish gits  
would rather lock you up than face it  
Political correctness they do claim,  
they'd rather have you locked up  
you should be ashamed  
Have you heard the news  
you're a disgrace flaunting  
your deformities in their face  
So you freaks no longer  
to be shown, now locked up in hospitals  
and mental homes  
Have you heard the news  
around this place they say  
that the freakshow's a disgrace  
All of the freaks no longer on display  
now in an institution to be locked away  
Have you heard the news  
you're all locked up,  
no longer normal people will be shocked  
All those freaks lock them up,  
so our normal citizens you don't corrupt  
Have you heard the news  
perverters of young minds now each one of you  
has had your time  
They will not tolerate  
the corruption that you bring normality  
they reinstate out of this town freaks fling  
Have you heard the news  
going round the town  
all of you freaks are to be put down!  
News! News!
