

# Wake Up

The Tiger Lillies

Vilification of what you said  
Now all the roses are almost dead  
Vilification of time's gone by  
Well, it's funny how we sometimes cry

One day we'll wake up  
One day we'll wake up

Well, complications along the way  
Make our bodies wanna stray  
Hallelujah is on our side  
Well, it's funny how we sometimes cry

One day we'll wake up  
One day we'll wake up  
One day we'll wake up  
One day we'll wake up

Well, I don't know if it's the beginning  
Or if it is the end  
I don't know if you're my enemy  
Or if you are my friend  
I don't know if this is good,  
I don't know if this is bad  
I don't know if you're happy  
Or if you're sad

One day we'll wake up  
One day we'll wake up  
One day we'll wake up  
One day we'll wake up

One day we'll wake up  
One day we'll wake up  
One day we'll wake up  
One day we'll wake up
