

# Ice Cream Castles

## The Time

We are young, we are free on earth together  
Let's fall in love  
You are fine, you are white, I am of color  
Let's fall in love

Ice cream castles in the summertime  
Ice cream castles in the summer

I want you, you want me, we want each other  
Is that so wrong?  
It's raining mad sisters, why can't they realize  
That it won't be long?

We're all ice cream castles in the summertime  
Ice cream castles in the summer

Let's do something soon

We are young, we are free let's come together  
Before the end  
I am blue, you are too, what could be better?  
Let's make friends

We're all ice cream castles in the summertime  
Ice cream castles in the summertime

We're all ice cream castles in the sun  
Ice cream castles when we fall  
Ice cream castles in the summertime  
Summertime, summertime, summertime

Is that what you need?  
White girls, black girls, orientals, jamaican?

Ice cream castles in the summertime  
We're all ice cream castles in the sun  
Ice cream castles when we fall  
Ice cream castles in the summertime, summertime

White girls, black girls, orientals, jamaican  
I want you, you want me, we want each other  
White girls, black girls  
We are young, we are free on earth together

Let's do something, let's do something soon  
Let's do something, let's do something soon  
Let's do something, let's do something soon  
Let's do something, let's do something soon

Let's do something, let's do something soon  
Let's do something, let's do something soon  
Let's do something, let's do something soon  
Let's do something, let's do something soon  
We are young, we are free, let's come together
