The Ting Tings

If you wanna be with some one
When you wannaplay in the sun
If you wanna share what you find
When you got a lot in your mind
You can see what you wanna say
See what you wanna say
When you gotta be somewhere else
If your gonna travel the world
If you wanna send me a line
When you got a lot in your mind
You can do what you wanna do?
Everyday when you mean it
Respect it
Put it out deglect it
Talking trhew a face it
Tear it up
Replace it
Win some
Lose some
Find out we use some
Bandles and have fun some in you and counting on
You can be my friend if we haden't been in common
Honesty trouble we assuming to
Depend on
You can be my friend if you wasn't such a fight
Yes staying in love taking a dive
You could've been a good friend in mind

When you need some to blame
When you know they'll be there again

So you took it out on some on
Most of them can't be undone
If you wanna turn up the lights
If you think care for things right
Do what you wanna feel
Because everyday when you mean it
Respect it
Put it out deglect it
Talking trhew a face it
Tear it up
Replace it
Win some
Lose some
Find out we use some
Bandles and have fun some in you and counting on
You can be my friend if we haden't been in common
Yes staying in love taking a dive
You could've been a good friend in mind
