

# He's In Town

## The Tokens

He's in town  
(He's in town)  
He's back in town  
(He's in town)

Girl, I knew just what was wrong  
(He's in town)  
When you weren't home  
Each time when I phoned  
All week long

And now I see it in your eyes  
(He's in town)  
The look on your face  
When you're thinking of him  
Can't be disguised

I was afraid  
He'd come back someday  
And I'd be the one to lose  
I knew when you saw him  
You wouldn't ignore him  
And he'd be the one you choose

No, you don't have to tell me  
He's in town  
(He's in town)  
He's back in town  
(He's in town)

No, you don't have to tell me  
He's in town  
(he's in town)  
He's back in town

(He's in town)  
He's in town  
(He's in town)  
(He's in town)
