

Emergency

The Treatment

What you see is what you get
No remorse and no regret
If eyes are windows to your soul
Then I aint got no place to go

So did you think that I would run?
That I could never be apart from you?
Look down the barrel of your gun
Well, you're wrong

Look at you
(I'm looking at you)
Look what you've done to me
(Look what you've done to me)
Just like an animal
(I'm not an animal)
I keep coming back for more

Oh emergency
(Emergency)
Are you a lot like me?
(Are you a lot like me?)
You're not an animal
(You're not an animal)
We keep coming back for more

You told me that you was a friend
And what we got won't ever end
But living in your web of hate
I rue the day I saw your face

So did you think that I was wrong?
That I could never be as smart as you
Forever dancing to your song
Well, you're wrong

Look at you
(I'm looking at you)
Look what you've done to me
(Look what you've done to me)
Just like an animal
(I'm not an animal)
I keep coming back for more

Oh emergency
(Emergency)
You just keep hurting me
(You just keep hurting me)
You're not an animal
(You're not an animal)
We keep coming back for more

Did you not know that there could never be a winner?
I'm tired of your old games
You know the lies you say are sounding so familiar
AGAIN, AGAIN!

Look at you
Look what you've done to me
Just like an animal
I keep coming back for more

Emergency
(Emergency)
Are you a lot like me?
(Are you a lot like me?)
You're not an animal
(You're not an animal)
I keep coming back for more

There's an emergency!
There's an emergency!
There's an emergency!
