

Road rocket

The Treatment

Killing time till rock's alive
I have a feeling that the battle's mine
Come in faster shot to fame
One move left and that is mine

My machine and my black leather
Passing through the English weather
I'm heading to the brighter lights
No one's gonna break her might

Road Rocket
I know I'm winning
Road Rocket
Danger riding
Road Rocket
Get outta my way
Road Rocket
I'm riding again

Feeling the freedom in my mind
I'm missing what I left behind
Don't stand still for very long
My bike's power is much too strong

Never no time to hang around
No woman could ever hold me down
Blown away, I'm shot to the head
Non-stop riding till I'm dead

Road Rocket
I know I'm winning
Road Rocket
Danger riding
Road Rocket
Get outta my way
Road Rocket
I'm riding again

Never no time to hang around
No woman could ever hold me down
Blown away, I'm shot to the head
Non-stop riding till I'm dead

Different girls from town to town
Women with long hair going down
I don't care what they say
They don't know I'm here to stay

Road Rocket
I know I'm winning
Road Rocket
Danger riding
Road Rocket
Get outta my way
Road Rocket
I'm riding again
