

# New King

The Trews

A bitter hipster hick  
Can't stop talking shit  
The F'N idiot  
Don't know when to quit  
Maybe it's time to learn  
I ain't got cash burn  
All I got is the microphone  
And it's my turn

All hail the new king now, just here to bring me down  
Hey nice opinion  
It's so nice that you care  
But hey that's my jam right there

A haters gonna hate  
But get the shit straight  
Cause punk rock talk is cheap  
Do ya practice what you preach?  
Your sound bites are sublime  
One sour grape at a time  
Surely to god you could devote your attention to something that actually matters

All hail the new king now, trust you to bring me down  
Dude! Nice opinion  
It's so nice that you care  
But hey that's my jam right there  
WOHOHOHOHOHO AHAAHAH  
WOHOHOHOHOHO AHAAHAH  
WOHOHOHOHOHO AHAAHAH  
WOHOHOHOHOHO AHAAHAH

All hail the new king now, just here to bring me down  
Hey nice opinion

All hail the new king now, just here to bring me down

But hey that's my jam right there
