

# There's Always Something There to Remind Me

The Troggs

I walk along the city streets you used to walk along with me  
And every step I take recalls how much in love we used to be  
Oh, how can I forget you?

When there is always something there to remind me  
Always something there to remind me  
I was born to love you and I will never be free  
You'll always be a part of me, oh

When shadows fall, I passed a small cafe where we would dance a  
t night  
And I can't help recalling how it felt to kiss and hold you tig  
ht  
Oh, how can I forget you?

When there is always something there to remind me  
Always something there to remind me  
I was born to love you and I will never be free  
You'll always be a part of me, oh

If you should find you miss the sweet and tender love we used t  
o share  
Just come on back to places where we used to go and I'll be the  
re  
'Cause how can I forget you?

When there is always something there to remind me  
Always something there to remind me  
Always something there to remind me  
Always something there to remind me  
...
