

# Piece By Piece

The Tubes

She looks good  
But she's not altogether right  
All her parts are not screwed on tight  
There's a touch of tragedy

When she moves  
You can see the secret showing through  
She'd deny it if she thought I knew  
But she could never lie to me

Anyone would think there's nothing wrong,  
She looks so satisfied  
But I've known about her much too long  
She can't conceal what she feels inside

I'm gonna show her that piece by piece, inch by inch  
I can put her back together again  
I'll supply the love she lacks  
And give her back exactly what she needs  
Bringin' it piece by piece

All I need  
To find a way around her defense  
Is just a little common sense  
I don't have a strategy

I'll be there  
Like I have so many other times  
She'll reveal to me a certain sign  
That only I can see

Anyone would think there's nothing wrong,  
She seems like she's complete  
But it's obvious it's been too long  
Since she believed what she needs is me

I'm gonna show her that piece by piece, inch by inch  
I can put her back together again  
I'll supply the love she lacks  
And give her back exactly what she needs  
Bringin' it piece by piece

Anyone would think there's nothing wrong,  
But she's not fooling me  
Everybody wants to lead her on,  
But I believe what she needs is me--what she needs me

I'm gonna show her that piece by piece, inch by inch  
I can put her back together again  
I'll supply the love she lacks  
And give her back exactly what she needs  
Bringin' it piece by piece
