

Flyin' High

The Turtles

She left me cryin' so hard I had no tears to cry no more
And I thought that I would die when she walked on out of that door
But, I ain't gonna cry no more for now
Gonna concentrate my love on you somehow, girl, yeah

You're the one that's got the kind of love that is for me
She broke my heart but I knew from the start your kiss would set me free
Won't see me cryin' as long as I'm with you, now
Well, I'm flyin' high and not a cloud in the sky over you, girl
, yeah

You're the one that sends me out of my mind
Every time I get you in sight
You always make me feel all right
And I'll never be down when you're around

You're the one that's got me feelin' so high, now
Well, I'm flyin' high and not a cloud in the sky over you, yeah
oh yeah
You're the one that's got me feelin' so high, now
Well, I'm flyin' high and not a cloud in the sky over you, yeah
oh yeah
