

## Hot Little Hands

The Turtles

What if she says she needs a little piece  
And wants a little satisfaction?  
And what if she comes and doesn't wanna go  
Until she's had a piece of the action?

Hot little hands  
Hot little hands  
What should I do?

It's too hard controllin' myself  
When I know I don't wanna  
It's getting harder all the time  
'Cause she's so very fine

Hot little hands  
Hot little hands  
What should I do?

And what if she says that I have what it takes  
To satisfy your teenage condition?  
She's gonna tell me that she's made up her mind  
And I'm not gonna change her decision

Hot little hands  
Hot little hands  
What should I do?

It's too hard controllin' myself  
When I know I don't wanna  
It's getting harder all the time  
'Cause she's so very fine

Hot little hands  
Hot little hands  
What should I do?  
Hot little hands  
Hot little hands  
What should I do?
