

Teardrops

The Turtles

I-I sit in my room
Lookin' out at the rain
My tears are like crystals
They cover my window pane

I'm thinkin' of our lost romance
And how it could have been
Oh, if we only could
Start over again

I know you'll never forgive me, dear
For runnin' out on you
I was wrong to take a chance
With somebody new

I sit in my room
Lookin' out at the rain
My tears are like crystals
They cover my window pane

I know you'll never forgive me, dear
For runnin' out on you
Oh, how I long to do
The things we used to do
I'm lonely and I'm blue
But I'll try to get along without you

Teardrops, teardrops, teardrops

I had to break, break hope
And shed a tear
God only knows the girl
Who will love me
Oh-oh, if we only could start over
A-a-gain
