baby I'm afraid of a lot of things
but
I aint scared of lovin you
baby I know your afraid of a lot of things

but
dont be scared of love

cause
people will say all kinds of thing
that dont mean a damn to me
cause all I see
is whats in front of me
and thats you

well, I've been dragged all over the place
i've taken hits time just don't erase
and baby i can see you've been fucked with too
but that dont mean your lovin days are through

cause people will say all kinds of things
that don't mean a damn to me
cause all I see
is whats in front of me
and thats you

well I maybe just be a fool
but I know you're just as cool
and cool kids
they belong together
