

Saturday Night

The Underdog Project

Every week and night
I sit here thinking of you
I can't wait to get in
I'm waiting for the week to be through
Saturday's the only day I am really think of
'Cause every other day is just another day no doubt
'Cause every time I think about you, thoughts go through my mind
And everybody's working for the week
Everything is alright on a Saturday night
And I've got all my fellows with their honey by my side
The DJ spins a record 'till he hits the morning light
And everything's gonna be ok
'Cause it's a Saturday
And thinking about Monday or Tuesday or Wednesday it's alright
And thinking about Thursday or Friday 'cause tonight's Saturday
night
Every week and hour
I think about just you all by my side
And I can't wait much longer
Want to...
