

Loud

The Unjust

Only titles remember...
Then you took it away...
Broken Laws for the pleasure
It seems to be.
The more they fight we rebel
It ain't so bad

We come Loud
LOUD!

Different kinds put together
Spoken thoughts twist of faith
Lord knows it's the keys
Hidden me!
Then there's not much to say.
It ain't so bad!

We come
Loud
Loud, Loud

I know, What it seems
Take me, Open side.
Take my breath away,
Nothing else to say.
Change the page of all
To read Freedom, Justice,
One Love, Kingdom, We Come!

Loud
Loud, Loud
We Come
Loud
Loud, Loud
