Only titles remember...

Then you took it away...

Broken Laws for the pleasure

It seems to be.

The more they fight we rebel

It ain't so bad

We come Loud LOUD!

Different kinds put together Spoken thoughts twist of faith Lord knows it's the keys Hidden me! Then there's not much to say. It ain't so bad!

We come Loud Loud, Loud

I know, What it seems
Take me, Open side.
Take my breath away,
Nothing else to say.

One Love, Kingdom, We Come!

Loud, Loud
We Come
Loud
Loud, Loud
