

## Give Me Love

The Used

I lived out more than a little,  
Give my insides out til there's nothing left to see.  
Stepped down, left in the middle of the mess you made,  
The mess I used to be.  
So give me love,  
Give me every little bit of your broken heart  
My heart skips a beat.  
So give me love, give me love, love, love  
My insides out, there's nothing left to see.  
Now I needed to find, now I needed to find out on my own,  
I needed to find, now I needed to find out on my own!  
From my head all the way to my feet,  
Strange is what I've become.  
Would you ask for a little more of me,  
Why can't I find it?  
Empty, where my heart used to be!  
Now I'm looking in the mirror, I see this monster that is me!

Gave up more than a little,  
Just to watch you bleed, left broken words behind,  
Give me love, give me love, love, love  
Insides out, til there's nothing left to see.  
Now I needed to find, now I needed to find out on my own,  
I needed to find, now I needed to find out on my own!  
From my head all the way to my feet,  
Strange what I've become!  
Would you ask for a little more of me,  
Why can't I find it?  
Empty, where my heart used to be!  
Now I'm looking in the mirror, I see this monster that is me!  
Now I needed to find, now I need to find out on my own,  
I needed to find, now I needed to find out on my own,  
Now I needed to find, now I need to find out on my own,  
Now I needed to find, now I needed to find out on my own!  
[On my own, on my own, on my own... ]  
From my head all the way to my feet,  
Strange what I've become!  
Would you ask for a little more of me,  
Why can't I find it?  
Empty, where my heart used to be! [Where my heart used to be]  
Now I'm looking in the mirror, I see this monster that is me!
