

# Happy Birthday to Me

The Vandals

It's my birthday and I'll do what I want to  
Fuck you it's my birthday.  
A special holiday only for me, so do what I say,  
it's my party, I'll make you cry if I want to...or leave.  
Fuck you, it's not your birthday, so do what I say ok.

For 24 hours your wishing me well  
364 days I'm in hell, Oh well.  
Happy Birthday to me.

Alone on my Birthday,  
I'm going to Denny's 10 times today  
No Tip! It's my birthday, so do what I say.  
Thanks Mom didn't have an abortion, or my birthday wouldn't be  
today. But I guess it's my good fortune, my birthday's today OK  
!

For 24 hours you're wishing me well, 364 days I'm in hell...Oh  
well. Happy birthday to me, happy birthday to me!

I can't believe you forgot my birthday  
it's my birthday and you're wrecking it  
not like it's just any other day  
you didn't do what I say  
How could you forget my birthday?  
That's really immature. Fuck you for forgetting my birthday, and  
do what I say today.

24 hours no wishing well, 365 days I'm in hell, oh well  
Happy birthday to me, happy happy birthday to me, happy birthday  
to me.
