Stupid Song

The Vindictives

Why the fuck are you so stupid?
How could someone be so dumb?
You're stupid
Stupider than me
So stupid and getting dumber by the day

You're an idiot, a stupid idiot You're an idiot, you fucking idiot You're an idiot, a stupid idiot You're an idiot, you fucking idiot

Stupid, stupider than me So stupid and getting dumber by the day You're so stupid You're so dumb.
