

## Ancient Heart

The Vision Bleak

The heart,  
the heart is old...

Antiqua nobilis et fortis Anima.

Precious and strong, unrivaled heart.  
Invincible and never wrong,  
wise from the start!

Antiqua nobilis et fortis Anima.  
The heart, the heart is old...

Let loose from the chain!  
Untamed and arcane is my ancient heart.  
Most sublime blood in endless flood,  
through my ancient heart.

Fire and flame of unwavering aim.  
My ancient heart, my ancient heart.

Antiqua nobilis et fortis Anima.  
The heart, the heart so pure...

Most sublime blood in endless flood,  
through my ancient heart.  
Let loose from the chain!  
Untamed and arcane is my ancient heart.

Ravishing pride, the Self undefiled.  
In my ancient heart, the ancient heart.
