Sweet Thing

The Waterboys

And I will stroll the merry way
And jump the hedges first
And I will drink the clear clean water
For to quench my thirst

And I shall watch the ferry boats
And they'll get high on a bluer ocean
Against tomorrow's sky
And I will never grow so old again

And I will walk and talk
In gardens all wet with rain
Oh sweet thing, sweet thing
My, my, my, my, my sweet thing

And I shall drive my chariot Down your streets and cry Hey, it's me, I'm dynamite And I don't know why

And you shall take me strongly In your arms again And I will not remember That I even felt the pain

We shall walk and talk
In gardens all misty and wet with rain
And I will never, never, never
Grow so old again

Oh sweet thing, sweet thing My, my, my, my, my sweet thing

And I will raise my hand up Into the night time sky And count the stars That's shining in your eye

Just to dig it all an' not to wonder That's just fine and I'll be satisfied Not to read in between the lines

And I will walk and talk
In gardens all wet with rain
And I will never, ever, ever, ever
Grow so old again

Oh sweet thing, sweet thing Sugar, baby with your champagne eyes And your saint like smile
