

Heartless

The Weeknd

Never need a bitch, I'm what a bitch needs
Trying to find the one that can fix me
I've been dodging death in the six-speed
Amphetamine got my stomach feeling sickly
Yeah, I want it all now
I've been running through the p*ssy, need a dog pound
Hundred models getting faded in the compound
Trying to love me but they never get a pulse down

'Cause I'm heartless
And I'm back to my ways 'cause I'm heartless
All this money and this fame got me heartless
Low life for life 'cause I'm heartless
Said I'm heartless
Trying to be a better man but I'm heartless
Never be a wedding plan but I'm heartless
Low life for life 'cause I'm heartless

Said I'm heartless
So much p*ssy, it be falling out the pocket
Metro Boomin, turn this hoe into a mosh pit
Tesla pill got me flying like a cockpit
Yeah, I gotta watch it
Call me up, turn that p*ssy to a faucet
Duffel bag full of drugs and a rocket
Stix drunk but he never miss a target
Photoshoots, I'm a star now
I'm talkin' Time, Rolling Stone and Bazaar now

Selling dreams to these girls with their guard down
Seven years I been swimming with the sharks now

'Cause I'm heartless
And I'm back to my ways cause I'm heartless
All this money and this fame got me heartless
Low life for life 'cause I'm heartless
Said I'm heartless
Tryna be a better man but I'm heartless
Never be a wedding plan but I'm heartless
Low life for life 'cause I'm heartless

I lost my heart and my mind
I tried to always do right
I thought I lost you this time
You just came back in my life
You never gave up on me
I'll never know what you see
I don't do well when alone
You hear it clearly in my tone

'Cause I'm heartless
And I'm back to my ways cause I'm heartless
All this money and this pain got me heartless
Low life for life 'cause I'm heartless
Said I'm heartless
Tryna be a better man but I'm heartless
Never be a wedding plan but I'm heartless

Low life for life 'cause I'm heartless
