## **Stargirl Interlude**

The Weeknd

I had a vision A vision of my nails in the kitchen Scratching counter tops, I was screaming My back arched like a cat, my position couldn't stop you were h itting it And I shouldn't cry, but I love it, Starboy And I shouldn't cry, but I love it, (I love it), Starboy And I shouldn't cry, but I love it, Starboy And I shouldn't cry, but I love it, Starboy

I just want to see you shine 'cause I know you are a Stargirl I just want to see you shine 'cause I know you are a Stargirl I just want to see you shine 'cause I know you are a Stargirl I just want to see you shine 'cause I know you are a Stargirl
