## Can't Go Back Now

## **The Weepies**

Yesterday when you were young Everything you needed done was done for you Now you do it on your own But you find you're all alone, what can you do?

You and me walk on, walk on 'Cause you can't go back now

You know there will be days
When you're so tired
That you can't take another step
The night will have no stars
And you'll think you've gone as far
As you will ever get

You and me walk on, walk on, walk on 'Cause you can't go back now

And yeah, yeah, you go where you want to go Yeah, yeah, be what you want to be If you ever turn around, you'll see me

I can't really say
Why everybody wishes they were somewhere else
But in the end, the only steps that matter
Are the ones you take all by yourself

You and me walk on, walk on, walk on
Yeah, you and me walk on, walk on, walk on
'Cause you can't go back now
Walk on, walk on
You can't go back now
