

# A Very Special Holiday

The Whispers

The bells are sweetly ringing  
And the angels are sweetly singing  
It's a very special holiday

Joy and gladness is in the air  
Happy people everywhere  
It's a very special holiday

The bells are sweetly ringing  
(Bells are ringing, sweetly ringing)  
And the angels are sweetly singing  
(Angels singing, sweetly singing)  
"Glory to God", you hear them say  
It will soon be Christmas Day

Many, many years ago  
The little baby came to Earth  
And every man should know  
It was the blessed Savior's birth  
He brought peace on Earth  
(On this Earth)  
Good will to all men  
It's that time of year again

Bells are ringing, angels singing  
Glory, glory, glory to the newborn king
