

# Can't Do Without Love

The Whispers

Listen, everybody  
To what I'm gonna say  
Girls just won't let me  
But I'm gonna find a way  
'Cause I don't wanna do  
Don't wanna do without love  
And if I had it my way  
I'd surely have her

'Cause, baby, here's what I gotta say  
Don't wanna get used to bein' by myself  
I made up my mind about it, baby  
And I can't live without it, no, girl

You can do it  
Put your mind and body to it, oh...  
You can do it  
Can't do without love  
Put your mind and body to it  
I never will

You look outside your window  
And see your favorite shade  
And all that glitters isn't gold  
I'll be so warm and tender  
Girl, we'll have it made  
I'm hoping for the day  
You see things my way

You can do it  
Put your mind and body to it  
I don't wanna do without love  
You can do it  
I never will  
Put your mind and body to it  
Just don't wanna do without love

So, baby, here's what I gotta say  
I don't wanna get used to bein' by myself  
I made up my mind about it, baby  
And I can't live without it, no, girl

Don't want nobody's part-time love  
You've got to give it all you've got  
'Cause you know I need a lot  
I don't want nobody's part-time love  
You've got to give it all you've got  
'Cause you know I need a lot

You can do it  
Put your mind and body to it  
I don't wanna do without love  
You can do it  
Put your mind and body to it  
I don't wanna do without love

You can do it, ooh...

Put your mind and body to it  
Can't do without love  
You can do it  
I never will  
Put your mind and body to it  
Do without love

You can do it  
I don't wanna do without love  
Put your mind and body to it  
I never will  
You can do it

You can do it  
Can't do without love  
Put your mind and body to it  
I don't wanna do without love  
You can do it, ooh...  
Put your mind and body to it  
I never will...
