

Can't Stop Loving You Baby

The Whispers

Can't stop loving you, baby
Can't stop loving you
Can't stop loving you, baby
Can't stop loving you

Remember when we met
I could never forget
I looked into your eyes
It took me by surprise
Right then from the start
Loved you with all of my heart
I just wanna let you know
I'm never gonna let you go

Can't stop loving you, baby
Can't stop loving you
Can't stop loving you, baby
Can't stop loving you

Loving you is all I wanna do
Got me so high
I just know I

Can't stop loving you, baby
(I can't stop loving you)
Can't stop loving you
Can't stop loving you, baby
(No matter what I do)
Can't stop loving you

Can't stop loving you, baby
Can't stop loving you
I can't stop loving you
Can't stop loving you, baby
No matter what I try to do
Can't stop loving you
I just can't stop loving you

Can't stop loving you, baby, ooh...
Can't stop loving you
Can't stop loving you, baby, ooh...
Can't stop loving you

Can't stop loving you, baby
Can't stop loving you
I just can't stop loving you
Can't stop loving you, baby
Can't stop loving you

Loving you is all I wanna do
Got me so high
I just know I

Can't stop loving you, baby
(I can't stop loving you)
Can't stop loving you
Can't stop loving you, baby

(I can't stop loving you, baby)
Can't stop loving you
Hey-hey, no way...
