

# Don't Be Late For Love

The Whispers

Girl, I made a wish upon a falling star  
I want to be the one, I need to mend your heart  
You can share your love with me  
For feeling joy and ecstasy, uh-huh, uh-huh  
Honey, don't be late, the time for us is now  
Let me love you, girl, let me wash away your doubt  
I'll take you everywhere with me  
All I need is one chance to make you see

Good things come to those who wait  
Don't you ever be too late for love  
(Be late for love, don't you be late, baby)  
No, no, darling  
Good things come to those who wait  
Don't you ever be too late for love  
Hee-hee...

Since I met you, girl, you're always on my mind  
Life with you I want, baby, all we need is time  
I'll give my heart and guarantee  
That love will be the best it could be, uh-huh, uh-huh  
Your smile's so full and warm  
Your eyes they shine so bright  
With you in my world, everything seems so right  
(They seem so right)  
Just give your love to me, to me

Good things come to those who wait  
Baby, don't you ever be too late for love, no  
(Be late for love, don't you be late, baby)  
Oh, good things come to those who wait  
Don't you ever be too late for love, no, oh...

You want a love you can depend on  
When you're in love, there's no guarantee  
Sometimes it can be right  
Sometimes love can be wrong  
That's how you'll change when love  
When love comes your way, mm-hmm

Uh-huh, if you want love to stay, hey  
Don't you stay  
Don't you want a love to stay  
Sugar, don't you wait too late  
My love, don't wait, girl  
Don't you wait too late  
To wait too long  
You want a love to keep you strong  
Sugar, don't you wait too long  
Too late, baby, hey

Good things come to those who wait  
Don't you never, never be too late for love...
